

Interview Assignment: Thinking and Talking About the Agricultural Story

Hundreds of work-related agricultural injuries happen every year in Kentucky. Think about what you learned from the agricultural story. Talk about the story with a farmer in your family or with a family friend who is a farmer. Discuss these three questions. Then write your answers in the space below each question. Bring this report to class to be discussed.

A. List some of the reasons for these injuries.

1.	5.
2.	6.
3.	7.
4.	8.

B. Describe some of the economic, social, and personal costs of these types of injuries.

C. Who can prevent these types of injuries and how can they do so?

Please list the name and telephone number of the person you interviewed for this assignment.

Name _____ Telephone _____ - _____ - _____
